Health Resources and Services Administration

Healthy Communities, Healthy People

HRSA Overview

- Vision statement: Healthy Communities, Healthy People.
- Mission statement: Improve health and achieve health equity through access to quality services, a skilled health workforce and innovative programs.
- Strategic plan:
 1. Improve access to quality health care and services
 2. Strengthen the health workforce
 3. Build healthy communities
 4. Improve health equity

HRSA's Key Programs

- Community health centers
 - 1,200 grantees providing primary and preventive services at 8,500 sites
 - Serve 19,000,000 patients
 - Over the next 5 years, HRSA will invest \$11 billion made possible by the Affordable Care Act for the operation, expansion and construction of health centers
 - Will double the number of patients

HRSA's Key Programs

- Ryan White HIV/AIDS program
 - Funds 900 grantees who provide top-quality care and life sustaining medications to more than half a million low income and uninsured people living with HIV/AIDSs
 - Funds training, technical assistance and demonstration projects designed to slow the spread of the epidemic in high-risk groups
 - Provides services for those who do not have sufficient health care coverage or financial resources

HRSA's Key Programs

- Maternal and Child Health
 - One of the oldest and best known federal public health programs
 - Provides services to 60% of women who give birth in the US each year
 - The largest effort is the Maternal and Child Health Services Block Grant to States
 - New program (\$1.5 billion) with Administration for Children and Families – Home Visiting

HRSA's Key Programs

- Clinician Recruitment and Services
 - National shortage of primary care providers
 - Seeks to ensure a diverse, well-trained and distributed workforce through scholarships and loan repayment programs
 - Places providers in medically underserved areas in exchange for student loans and scholarships
 - Supports 7,500 NHSC providers
 - ACA provider \$1.5 billion to the NHSC over the next 5 years, provides flexibilities and increases loan repayment

HRSA's Key Programs

- Health Professions
 - Serious workforce shortages in many regions
 - HRSA's workforce programs strengthen the primary care workforce by giving financial support to teaching institutions for training and curriculum development, as well as scholarship and loan repayment
 - Programs support nurses, physicians, oral health providers, physicians assistants, geriatricians

HRSA's Key Programs

- Health care systems
 - Oversees nation's organ, bone marrow and cord-blood and transplantation systems
 - Supports the 340B drug discount program for safety net providers
 - The 340B program improves access to potentially lifesaving drugs
 - Supports the nation's poison control centers and vaccine injury compensation programs

HRSA's Key Programs

- Rural health
 - Coordinates activities related to rural health care for 62 million residents of rural America
 - Programs integrate and streamline rural health care institutions
 - Aids in the recruitment and retention of providers in rural hospitals and clinics
 - Seeks to build capacity at local and State levels
 - Supports expanded use of telehealth to connect underserved people to distant providers through remote monitoring devices and teleconferencing
