*RETHINK AC 2024*

# THE MISSION

Through collaboration, innovation, entrepreneurship and technology, leverage **Artificial Intelligence** to:

- Support a 10x goal
- Improve operational efficiencies;
- Increase revenue generation;
- Reduce the County's carbon footprint; and/or
- Enhance customer experience

# COMMUNICATIONS

## Social Media & Websites

## County Announcements AlcoComms

Join us April 4<sup>th</sup> and Rethink AC

### Register For Rethink AC

Rethink AC 2024 will focus on in teams to brainstorm ideas and improve the way we do business. You do not need technical skills, you just need your superpowers.

Want to meet new people? What to spend the day rethinking and improving the way we work? Want to make a difference and have fun doing it?

Then get permission from your supervisor and join us on April 4 for Rethink AC 2024.

Collaborate. Innovate. Explore. Grow.
