Legacy Budgeting Cycles are Inefficient

SCATTERED

Documents, emails, notes, etc. are spread across multiple inboxes and desktops.

DISJOINTED

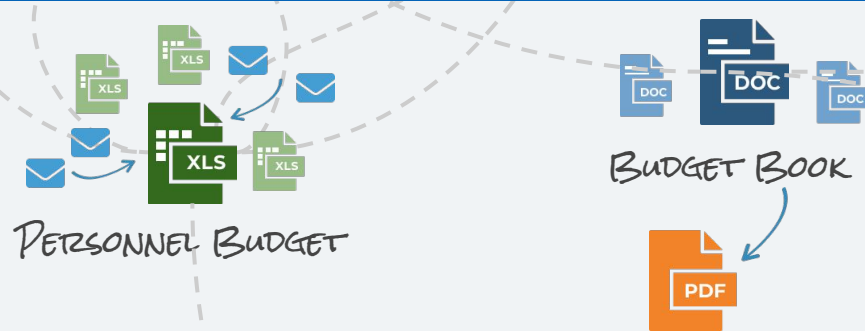

Excel, Word and email are distinct, generic products that inhibit collaboration.

TEDIOUS

Constructing, combining and correcting multiple spreadsheets is taxing, tiresome and time-consuming.

Modernization is a Must!

ClearGov Delivers “Just Right” Software

Built specifically for local governments.

Easy to Implement

ClearGov will onboard your general ledger data for you.

Easy to Use

Familiar, intuitive, and simple.
Little-to-no learning curve.

Easy to Connect

Works well together and complements your ERP.

Easy to Afford

Priced for local govts w/
NO hidden fees.

ClearGov works with over 1,000 communities across the country.
